

Catch some renewable rays, Viroqua!

Join us Tuesday, August 30, for a “60 Minutes of Solar” session and learn how you can use Solar*Connect CommunitySM to power your business or home. All Xcel Energy electricity customers can participate in Wisconsin’s largest community solar garden program.

Tuesday, August 30

1 - 2 p.m.

**Food Enterprise Center
1201 North Main St., Viroqua**

5 - 6 p.m.

**Viroqua American Legion
120 N. Rusk Ave., Viroqua**

The one-hour session includes a brief presentation and time for Q&A. Light refreshments will be available.
